Yunmai Prime massager YMFG-B453

Do you need relaxation after a long day at the desk? Or maybe you want to recuperate after a hard workout? Try the Yunmai Prime YMFG-B453 massager. With 4 available modes, you can easily adjust the intensity of the massage to your body's needs, and the durable battery allows you to use the device for up to 84 days on a single charge. Another advantage of the YMFG-B453 is its quiet operation (45dB) and high RPM power. Provide the relaxation of your dreams after a long day.

5 speeds to choose from

Despite its small size, the massager stands out for its impressive pressure, reaching deep muscle groups. The device also allows you to choose from 5 speeds, ranging from 1800 - 3200 rpm. Customize its action to your personal preferences!

Various modes of operation

The device offers modes to choose from. Intelligent Massage Mode provides a gentle pulsating massage, perfect for relaxing at home. Professional Fitness Mode, on the other hand, is perfect for muscle recovery after an intense workout. Customize its operation to suit your needs!

Efficient operation

The massager is equipped with a 24V brushless motor with a high power of 3200 rpm. The use of such solutions makes the device reach the deep muscles, deepening the feeling of relaxation. The device also works surprisingly quietly - its volume level is only about 45 dB.

Long working time

Say goodbye to tangled cables. The Yunmai Prime cordless massager will give you the freedom of movement you've been dreaming of. The device is equipped with a durable 2900 mAh battery. Assuming you use it every day for about 10 minutes, it will last you up to 84 days on a single charge! What's more, the device will automatically turn off after 10 minutes of use. This way you don't have to worry that it will discharge too quickly or that prolonged massage will cause muscle injury. The massager has a special base included, which allows for safe charging and stable storage of the equipment.

Thoughtful design

The massager was created from durable material, making it very durable, yet lightweight. It fits perfectly in your hand and is small enough to accompany you almost anywhere. Its transportation and storage is facilitated by the included station.

4 heads included

Customize the massager to suit your needs. The set includes 3 interchangeable heads that are pleasant to the touch, reduce pressure and provide comfort. The round head allows you to effectively massage your back, shoulders, calves and other large muscle groups. The U-shaped head is perfect for massaging the neck and both sides of the spine. The flat head will work well for sensitive muscles with low pain tolerance. The spherical head, on the other hand, stimulates deep tissues such as; joints, palms and even soles. Create a spa salon at your own convenience!
