

Car Jump Starter BlitzWolf BW-JS1

Car Jump Starter BlitzWolf BW-JS1

Ref: 5907489603010

Jump Starter Powerbank Starter BlitzWolf BW-JS1 12000mAh, 800A.

Meet the device that can save you from unfortunate situations, especially during winter days! Introducing the portable car starter from BlitzWolf. The device has a capacity of 12,000 mAh and an amperage of 800A. In addition, it is IP67 certified, which ensures that the product is resistant to contact with water, while thanks to its versatility, you don't have to worry that it won't fit your car.

Not just for cars

The starter can also be used as a powerbank. Thanks to QC 3.0 technology, it will charge your device much faster than a standard charger. The product has 2 QC 3.0 inputs of 5V/3A, as well as a 5V/2A Type C input and a 5V/2A micro USB input.

When the Egyptian darkness comes

The device has a built-in LED flashlight, which can be activated by pressing and holding the power button for 3-5 seconds. The flashlight also has SOS signal and stethoscope functions.

Waterproof

IP67-level protection provides dustproof and high water resistance, so you don't have to worry about the device getting damaged when using it in rainy weather. The starter also works in sub-zero temperatures as low as -20°C. Bet on reliability even in extreme conditions.

Thoughtful solutions

The device has a number of safety features to protect against a number of negative factors such as overvoltage, over-temperature, short-circuit and many others. The starter is easy to use, and it comes with starter cables.

Manufacturer

Blitzwolf

Name

Car Jump Starter

Product code

BW-JS1

Capacity

12000 mAh

Color

Black

Dimensions

185 x 102 x 46 mm

Input

5V/2A (micro USB) v 5V/2A (USB-C)

Output 1

5V/3A v 9V/2A v 12V/1.5A (Max QC3.0)

Output 2

5V/3A v 9V/2A v 12V/1.5A

Charging time

approx. 7 h

Maximum current

800 A

Compatibility

Vehicles with gasoline engines up to 4.5l and diesel engines up to 3l
