Cable USB-A to Lightning Mcdodo CA-3650, 1.2m (black)

Ref: 6921002636506

Cable USB-A to Lightning Mcdodo CA-3650, 1.2m (black)

Mcdodo CA-3650 USB-A to USB-C cable, 1.2m (black)
Now you can charge your devices even faster. The Mcdodo CA-3651 USB-A to USB-C cable provides up to 100 watts of power and up to 6 amps of current. It supports various fast charging standards and allows you to transfer files at speeds of up to 480 Mbps. It is also distinguished by its stylish design, durable construction and wide compatibility. It also includes a practical clasp for easy storage and transportation of the cable.

Refined in every detail
Transparent elements give the cable a modern, stylish feel, and the high-density braided cable not only looks great, but also protects the cable from damage. The reinforced copper cable ensures reliable transmission, fast charging and resistance to interference, while advanced MSC technology is responsible for intelligent temperature control and prevents overheating. All this translates into exceptional durability of the CA-3651 and its resistance to bending, abrasion or breakage.

Fast loading and file transfer
You no longer have to wait too long for your devices to be charged. The cable provides up to 100 watts of power and supports such fast charging standards as Huawei SCP, Samsung AFC, OPPO VOOC and QC 2.0 / 3.0 / 4.0. What's more, the CA-3651 allows data transfer at up to 480 Mbps. So you can transfer necessary files between devices in no time! With Mcdodo you will save precious time.
