Ref: 6921002636704

Cable USB-C to USB-C Mcdodo CA-3670, 100W, 1.2m (black)

Mcdodo CA-3670 USB-C to USB-C cable, 100W, 1.2m (black)

Get ready for efficient and reliable charging of your devices with the Mcdodo CA-3670 cable! With an impressive 100W charging power and 5A current, the cable is ready to handle even the most powerful devices equipped with a USB-C port. Made of durable materials such as nylon and aluminum alloy, the Mcdodo CA-3670 cable not only guarantees reliability, but also durability for long-lasting use.

Fast charging technology

Tired of waiting a long time for your smartphone to be ready to use? With the Mcdodo cable you can forget about this problem! Charging power of 100 watts and 5A combined with Power Delivery technology guarantees instant and efficient charging of your device. So you'll be able to enjoy the full power and performance of your smartphone in no time, whether you're at home, in the office or on the go.

Safety of use

Now you can charge your devices with peace of mind without worrying about their safety! The cable has a built-in E-mark chip that automatically adjusts the charging parameters to the specifications of the connected device. This effectively protects your devices from possible damage or overheating.
