Sonic toothbrush with head set FairyWill FW-2001 (purple)

FairyWill FW-2001 sonic toothbrush for kids

Help your child take charge of their oral hygiene. The FairyWill FW-2001 sonic toothbrush is tailored for the youngest users and features an interesting, colorful design. It is equipped with a smart 2-minute timer and offers 3 cleaning modes to choose from. The set also includes a replaceable head and a case with a rabbit ears decoration.

Fine and safe cleaning

With sonic technology, the toothbrush generates vibrations at a frequency of up to 38,000 per minute, which means it can effectively eliminate bacteria, food debris and other contaminants. The soft bristles are safe for your teeth and gums, and the extra pad on the back allow for tongue cleaning.

Supervises tooth brushing time for your child

You no longer have to wonder if your child is brushing their teeth long enough. The toothbrush offers a smart timer that will remind the little user every 30 seconds with a short pause that the area to be cleaned needs to be changed. After 2 minutes, the device will automatically stop.

3 cleaning modes

The toothbrush allows you to choose from 3 cleaning modes, making it ideal for children of different ages. Soft will work for the youngest users aged 3 to 6 years. Clean will be suitable for children 7 to 12 years old. Twelve-year-olds and older users can enjoy the Massage mode.

Long working time

You don't have to worry about having to charge your toothbrush too often. The device has been equipped with a durable battery, thanks to which it can serve your child for up to 21 days, fully charged. Conveniently charge it with the included USB cable.

Created with the youngest users in mind

The ergonomic handle of the toothbrush fits little hands perfectly and will provide your child with comfort of use. Cheerful colors will appeal to the youngest users, and a cute case with a decoration in the shape of rabbit ears will make the device easy to transport. Moreover, the product is made of BPA-free safe material and is water resistant up to IPX7 level.
