Seago Sonic Toothbrush SG-987

Want to take even better care of your oral hygiene? The Seago SG-987 sonic toothbrush will help you! Thanks to high frequency vibrations and specially designed tip the device cleans your teeth thoroughly and removes food debris effectively. Choose from 3 available modes and enjoy long battery life. The toothbrush is also IPX7 waterproof and user friendly. You'll also find an inductive base included for convenient charging.

Powerful performance

With the SG-987 sonic toothbrush you can brush your teeth much more thoroughly than with a regular toothbrush. The device is equipped with a high-performance motor that can generate vibrations at a frequency of up to 31,000 strokes per minute. This means it can thoroughly clean even those hard-to-reach areas of your mouth. It effectively eliminates dirt and food debris. What's more, the high-quality bristle tip cleans teeth reliably without damaging the enamel.

3 cleaning modes

The toothbrush has been designed to meet a variety of user needs. It allows you to choose from 3 modes to suit different situations. White gives you a thorough cleaning and helps whiten your teeth. Clean is a great choice for everyday use to get rid of dirt and food debris. Massage provides a gentle gum massage. Choose the best setting for you and enjoy a beautiful smile!

Additional features

Thanks to its carefully thought-out design the toothbrush provides unrivalled comfort. The ergonomic, non-slip grip feels fantastic in your hand and won't slip off - even if your hands are wet. The device is also IPX7 waterproof, so you can use it in the bath or shower without worry. What is more, the durable battery ensures long operation time of the SG-987, and its trouble-free, inductive charging is possible thanks to the included charging base.
