DEKO Tools DKMT100 tool set

The DEKO Tools DKMT100 set contains 100 of the most important tools that will find use in any home or workshop. These include pliers, a hammer, a tape measure, screwdrivers, bits, duct tape, wrenches and sockets, among others. They will come in handy, for example, when doing small repairs and DIY. All elements of the set are made of high-quality materials and are extremely durable. The tools come in a practical carrying case, which makes them easy to transport and store.

Solid workmanship

The tools were created from excellent quality materials and meet the new, stringent ANSI standards. They are also distinguished by a chrome finish that protects them from corrosion and rust. As a result, they will serve you perfectly for a long time. What's more, all the components of the set are housed in a durable, roomy carrying case. Each tool has its own place in it - a corresponding compartment. This makes it much easier to keep things in order, it also helps to avoid losing individual elements.

Many applications

The tools included in the set will find many uses at home and in the workshop. For example, they will be perfect for repairing small appliances and toys. They will also be useful for DIY enthusiasts. With their help you can hang a shelf, repair a sideboard, assemble ordered furniture and fix loose cabinet handles. Thanks to the ergonomic design, the tools lie perfectly in the hand and provide comfort

of use even during prolonged work.
