DEKO Tools DKMT128 tool set.

The DEKO Tools DKMT128 set contains 128 tools that will come in handy in any home, workshop or garage. You'll find pliers, screwdrivers, wrenches, a ratchet wrench, sockets, bits, a tape measure and a hammer, among others. They will come in handy for DIY and small repairs. All elements of the set were created from excellent quality materials, so they stand out for their high durability. What's more, the tools come in a practical carrying case, which makes them easy to store and transport.

Fantastic build quality

The tools are made of high-quality materials and meet the new stringent ANSI standards. A special chrome-plated finish protects them from rust and corrosion, resulting in a long service life. All parts of the set are extremely durable and resistant to damage. In addition, each tool has its own place in a capacious, durable carrying case. This makes it easy for you to stay organized. You will also make it easier to transport and store the necessary utensils.

Wide possibilities of use

The tools included in the set will prove themselves in a multitude of applications. They will come in handy when repairing toys and small items, or you can use them to screw on handles, assemble furniture or screw on a shelf. The sockets guarantee a secure fit, and the ratchet is distinguished by its 5° angle of rotation, making work easier and more efficient. The tools also provide comfort in use. They lie

perfectly in the hands and do not cause excessive strain.
