Speaker Tribit Xsound Surf BTS21, IPX7 bluetooth (black)

Tribit Xsound Surf Speaker BTS21

Want to always be able to play your favorite songs? The Tribit Xsound Surf speaker is just for you! The device provides high quality sound and a convenient wireless connection. It offers a long operating time and a compact, waterproof design.

High quality sound

The speaker is equipped with 2 43mm drivers (6W each) and a passive heat sink for top class sound. Discover the extraordinary richness of details of your favorite playlists - no matter where you are!

Bluetooth 5.0

Feel the convenience of wireless solutions and equip yourself with a device that will allow you to play music or audiobooks in comfort. The BTS21 uses a powerful Bluetooth 5.0 module, which features low susceptibility to interference and low power consumption.

Thoughtful design

The speaker draws its power from a 2200 mAh battery, which allows it to achieve up to 10 hours of runtime. What's more, the device's waterproof design (IPX7) ensures that it can be used even in adverse conditions.
