Nextool multitool NE20131 9in1

Are you looking for a handy tool set that will make your daily life easier? Opt for the Nextool NE20131 multitool, which combines the function of 9 different tools and will come in handy in many different situations. It includes, among others, a wrench, needle-nose pliers and classic pliers, a knife or a saw. Lightweight and handy, it does not cause any problems in transportation, so you can always have it with you.

9w1

Nextool NE20131 combines 9 multifunctional tools that will come in handy when doing everyday chores, renovations or small repairs. At your disposal are needle-nose and classic pliers, a cable cutter for regular and thick cables, as well as a saw. You can also use a wrench with adjustable span (up to 20 mm), a knife, a Phillips screwdriver and a flathead screwdriver.

Solid workmanship

The multitool is made of high-quality 30Cr13 stainless steel, which is resistant to wear and corrosion. The low weight and compact design are also a plus, as the product dimensions are 133 x 40.5 x 20 mm. What's more, you will find in the set a practical case, which will allow you to store the multitool comfortably and safely.
