Techwood electric foot file TRE-107 (white and gray)

Techwood electric foot file (white and gray)

Take care of your feet and enjoy velvety soft skin. You will be helped by the Techwood electric foot file, which is equipped with a rotating roller and effectively removes dead skin. Thanks to its ergonomic design, it provides comfort of use, moreover, it is completely safe and will not damage the epidermis. In the set you will find 3 interchangeable heads, as well as a brush for easy cleaning.

Care in a modern way

Tired of ineffective pumice stones? Opt for the Techwood electric foot file and see how fast and convenient grooming can be. The device is equipped with a rotating roller that rotates 360 degrees and thoroughly removes calluses and dead skin. Choose the TRE-107, save time and forget about rough skin.

Ergonomic design

The TRE-107 electric file is distinguished by its light weight, which, combined with its ergonomic design, ensures high comfort of use. The device fits well in the hand and does not strain it during grooming, while its small size makes it easy to store and transport. Another advantage is the built-in light, which illuminates the exfoliated skin area.
