Set Wireless foldable Keyboard Delux KF10 and mouse MF10PR

Delux KF10 folding wireless keyboard and MF10PR mouse set

KF10+MF10PRO is a perfect set for work. In the package you will find a compact, foldable keyboard and an ergonomic mouse. In addition, the keyboard case acts as a stand for your tablet and smartphone. Both devices work wirelessly and connect to a compatible device in 3 ways. Moreover, the set features a minimalist and elegant design.

### Ergonomic mouse

The Delux mouse will be great for everyday use. Thanks to its well-thought-out design, you can use it for a long time without feeling discomfort. It is lightweight and compact, so you can easily store it. It also has a touch panel, for even more convenience of use. That's not all! It will also serve as a laser pointer for you to use during presentations.

### Foldable keyboard

You will also find a lightweight and compact keyboard included - its thickness is less than 6.6 mm. Thanks to its foldable magnetic design, it won't take up much space. What's more, the product is distinguished by its quiet operation, so you can use it in a library or a cafe.

### Wireless operation

For greater convenience of use, both devices work wirelessly. The keyboard connects to compatible equipment via Bluetooth. What's more, you can pair it with up to 3 devices at the same time and switch between them freely - just press the appropriate key.

#### Case included

Business trip, vacation - have the KF10+MF10PRO with you at all times. The kit also comes with a case in which you will store the keyboard. Thanks to its handy design, it will not take up much space. In addition, it will serve as a stand for your tablet and smartphone for comfortable work.
