Cycling Sleeves Rockbros Size: L 32028 (black and white)

Bike sleeve, size L Rockbros 32028

Planning a long bike tour on a hot, sunny day? Provide yourself with reliable protection from the sun! The Rockbros cycling sleeve is made of a stretchy material to prevent sweating. The material provides a pleasant feeling of coolness and at the same time perfectly protects you from the wind. The accessory is also distinguished by its sporty and modern design, which will suit both men and women.

Excellent workmanship

The sleeves are made from high-quality materials that are characterised by above-average durability and elasticity. The fabric does not wrinkle, so you can take it on freely without worrying about damaging it. The product has a perfect fit and the strong stitching ensures that the sleeves do not slip off.

An essential accessory for every athlete

The Rockbros sleeve will help you to effectively protect your skin from the sun's rays on a warm day! The breathable material wicks sweat away instantly, so the sleeve stays dry for longer. It also keeps you pleasantly cool while protecting you from the wind. The accessory is perfect not only for cycling, but also for playing basketball, running or rollerblading.
