Nextool Wild Fun foldable grill

Do you often get together with friends in the garden or outdoors? Or are you planning a family picnic or a camping trip? The Nextool Wild Fun grill will help you take care of a delicious meal for everyone! It offers enough space to prepare more grilled sausages or vegetables and is very easy to use. It is also distinguished by its foldable design, which makes it much easier to transport.

Your new way to barbecue

Whether you're camping with a group of friends or planning a party in the garden, the Nextool grill makes it easy to prepare lots of tasty snacks. Sausages, skewers, pork neck, vegetables - the device will allow you to cook whatever you want in no time at all. The product also allows you to light a bonfire - so you can easily create an unforgettable atmosphere!

User-friendly

The grill is very easy to use and assemble. Forget about the complicated and time-consuming assembly! What's more, once you've finished grilling, it's easy to dismantle and clean. The unit is also equipped with a specially designed charcoal tank, so you can use it freely for longer periods of time. The kit also includes protective gloves.

Portable design

Whether for a picnic in the mountains, a camping trip at your favourite spot or a get-together with friends at the allotment - the Nextool grill can accompany you almost anywhere. The unit weighs only around 2.6 kg and features a folding design for convenient, hassle-free portability. Transporting and storing the product is made easy with the included carry bag.
