Dareu H101X Bluetooth Wireless Controller/GamePad (pink)

Immerse yourself in gameplay with the Dareu H101X. The controller is equipped with 2 vibration motors and a TURBO button, while the ergonomic design and large buttons make it comfortable to use. The GamePad connects to the device in 3 ways and works for up to 25 h on a single charge. In addition, it offers low latency and colorful backlighting.

Uninterrupted gameplay for up to 25 h

Worried that the controller will discharge at the least opportune moment? Don't be. The GamePad Dareu H101X is equipped with a 930 mAh lithium battery, which translates into about 25 h of gameplay. What's more, it will take about 3.5 h to charge.

3 ways to connect

The Dareu H101X controller connects to a compatible device in 3 ways: via USB cable or wirelessly in the 2.4G band and Bluetooth. This allows everyone to choose the best solution for themselves. What's more, you can enjoy low latency and excellent signal transmission.

Compatible

No matter what hardware you play on, the Dareu H101X will help you achieve better and better results. The controller works with computers, smartphones, Android TV and Nintendo Switch game consoles.

Colorful backlighting

The Dareu H101X controller is equipped with colorful LED backlighting, which will not only make it easier to use the GamePad after dark, but also gives the product a gaming feel. In addition, several lighting effects are available, making the controller stylish.

Even more immersion

If you want even more immersion, the GamePad Dareu H101X will be a great choice. The controller has 2 motors that generate vibrations depending on the events on the screen. Moreover, the TURBO button offers 3 levels of speed, allowing you to beat your opponent with 1 click. In addition, ergonomic buttons ensure comfortable use.
