

## Wireless speaker Remax Navigator

Wireless speaker Remax Navigator

Ref: 6954851200680

### Remax Navigator wireless speaker

Discover excellent sound quality with Remax. The Remax Navigator wireless speaker offers 15W of power and has a maximum run time of up to 6 hours. The wireless connection allows you to listen to music anywhere, and the stylish design makes the speaker look sleek and modern. Its handling will be no problem for you, and the convenient handle makes it easy to carry. It's also IPX5 waterproof, so you won't be afraid of a drop of rain!

### Immerse yourself in a world of music

Enjoy your music in the best quality with the Remax Navigator speaker! Thanks to its dual diaphragms and 15W of power, it delivers exceptionally clear and richly detailed Hi-Fi sound that will transport you to a world where every note sounds perfect. Want even better results? Pair 2 speakers together!

### Many ways to connect

The RB-M25 lets you play music in several ways - you can connect it both wired and wirelessly. You can easily pair it with the device of your choice using Bluetooth 5.1, which provides a fast, stable and reliable signal with a range of up to 10m. The speaker also has a built-in 3.5mm audio and USB port, so you can connect a USB stick, for example.

### Up to 6 hours of music playback

Listen to music for as long as you like. The built-in 3,000 mAh battery provides up to 6 hours of continuous use. What's more, it can last up to 20 hours in standby mode. It will take you around 2.5 hours to charge, and the USB-C port makes it easy.

### Coloured backlighting

The speaker's unique design is sure to impress many users. The coloured backlighting gives it a unique character. What's more, you can freely adjust it to your preference, choosing from 3 light modes. So you can easily create an amazing atmosphere, for example at a party with friends or a barbecue in the garden!
