Wireless speaker Remax Courage waterproof (black)

Remax Courage waterproof wireless speaker (black)

Listen to the sounds of your favourite songs! The Remax Courage speaker lets you enjoy excellent sound quality thanks to its dual 52mm drivers. Bluetooth 5.3 technology enables a stable and fast connection to your device. It has an operating time of up to 5 hours and thanks to its waterproof design you can use it in almost any conditions without any problems. The speaker also features colourful LED backlighting to help you create a unique atmosphere!

Be amazed by the sound quality

Immerse yourself in a world of music. The Remax speaker has dual 52-millimetre drivers that make every song sound amazing! The device guarantees clear, natural and richly detailed 3D stereo sound, as well as powerful, deep bass. What's more, thanks to its 10W power output, the sound will be exceptionally clear, even when played loudly.

Reliable Bluetooth connection

Connection problems are a thing of the past! The speaker uses the latest Bluetooth 5.3 technology, which provides a fast, stable and uninterrupted connection of up to 10 m, free of interference and lag. Pairing the speaker with the device of your choice will be no problem for you.

Long runtime

No more worrying about the speaker unexpectedly discharging and spoiling your party! The powerful 1500 mAh battery will allow you to enjoy your music for up to 5 hours on a single charge. And when the battery dies, it only takes about 2 hours of charging via the USB-C port to get the speaker up and running again.

Thoughtful design

Now you can listen to your favourite tunes wherever you are! The speaker's lightweight and portable design means you can take it with you almost anywhere. Made of durable ABS material, covered with fine fabric and soft silicone, it impresses not only with its excellent sound, but also with its stylish and modern design. What's more, it's also waterproof, so even rain can't scare it off.
