Wireless Bluetooth Speaker Tronsmart Groove 2 (black)

Tronsmart Groove 2 Wireless Speaker (black)

Tronsmart's Groove 2 wireless speaker is a product that combines speed and stability, making it an ideal choice for those who appreciate quality and practicality. The Bluetooth speaker is specially designed for outdoor use, which means you can enjoy your favorite music in any conditions.

Wireless connection

The speaker features robust streaming up to 18 meters away, so you don't have to worry about music interruptions. Bluetooth 5.3 provides the highest quality stereo sound and dual pairing, so you can connect to two devices simultaneously.

Different modes of operation

The speaker is equipped with two EQ modes - Normal and Soundpulse, allowing you to customize the sound to your individual needs and preferences. In addition, the equipment features LED lights that pulsate with the music, adding a unique ambience while listening to your favorite music.

Tailored to your needs

The speaker can run up to 18 hours on a single charge when the LED lights are off, and up to 6 hours when the LED lights are on. The

speaker features powerful sound and unmatched bass, allowing it to play music in any conditions. The speaker is also sturdy and durable, and its IPX7 waterproof rating allows it to be used near water without worrying about flooding the device.
