Princess 4-in-1 Multi Grill

Prepare paninis, waffles, toasted sandwiches and more with the Princess 4-in-1 multi grill. The 1500-watt unit provides overheat protection and features removable plates. It will work perfectly as a table grill. Also noteworthy is the adjustable thermostat, which allows you to control the temperature while preparing food.

One device - many possibilities

Want to feel the taste of grilled meat at any time of the year? Enjoy the taste of baked sandwiches? Or are you a fan of waffles? The handy 4-in-1 grill by Princess will give you the opportunity to prepare delicious meals at home, regardless of the weather outside the window! The adjustable thermostat allows you to adjust the temperature according to your current needs.

Convenient and safe use

Practical buttons allow convenient operation of the Princess grill. Overheat protection and an indicator of the appropriate temperature allow safe use. In addition, non-slip feet provide stability during grilling. The surface is covered with a coating that prevents food from sticking - as a result, cleaning the device will not cause you any trouble.
