

Wireless Bluetooth Speaker W-KING T11 100W (black)

Wireless Bluetooth Speaker W-KING T11 100W (black)

Ref: 6958917500998

W-KING T11 100W Bluetooth Wireless Speaker (black)

The W-KING T11 wireless speaker offers detailed sound, highlighting the best in songs. It works for up to 16 h on a single charge and acts as a powerbank. It supports Bluetooth 5.3 for a stable signal up to 10m and is waterproof (IPX6). You can also connect a guitar or microphone to it.

High quality sound

Take the W-KING T11 to a party and enjoy great sound. The speaker is equipped with two 5.25" subwoofers and two 1.2" neodymium tweeters. In addition, it uses digital signal processing (DSP) technology and has two passive heat sinks. All this translates into clear and richly detailed sound.

Reliable connection

The W-KING T11 speaker supports Bluetooth version 5.3, so signal transmission is fast and stable up to 10 meters. What's more, it is possible to pair 2 speakers, for even better results.

Long working time

Take the W-KING T11 to a party and don't worry about a suddenly drained battery. The speaker has a 15600 mAh lithium-ion battery,

providing up to 16h of operation (at 50% volume). A 15V/1.67A adapter is included to facilitate charging. Moreover, the device will serve as a powerbank and allow you to charge, for example, a smartphone.

Additional features

The speaker offers several ports, so you can connect different kinds of devices to it. There are USB connectors, a TF card slot and a 6.35mm port, which, together with a 6.35mm cable (included), allows you to connect a guitar or microphone. What's more, it's IPX6 water resistant and allows you to customize the LED backlight - you can choose from 7 backlight effects.
