Curling Iron Lisiproof LS-D006P

Have you always dreamed of a head full of curls? Lisiproof LS-D006P will help you create a spectacular hairstyle in the blink of an eye, without leaving your home! Its working temperature reaches 210°C, and thanks to the use of the PTC heating system, creating curls won't take much of your time.

Dream Hairstyle in a Few Moments

Now, curling your hair is even easier than you think. The set includes an tip with a diameter of 32 mm – it's perfect for creating large, impressive curls, adding extra volume to your hair. With a temperature of 210°C, styling even the most resistant and difficult-to-shape hair will not be a challenge for you..

Designed for Comfort

Thanks to its carefully thought-out design, the curling iron fits perfectly in the hand, ensuring unparalleled user comfort. Its compact design means that you can easily pack it in a suitcase or bag and take it with you on a trip. Its 2.4-meter cable rotates 360°, allowing you even greater freedom. The metallic design of the device will certainly attract the attention of many users.
