

360° Indoor Wi-Fi Camera IMOU Ranger 2C 4MP

Ref: 6939554949098

360° Indoor Wi-Fi Camera IMOU Ranger 2C 4MP

360° Indoor Wi-Fi Camera IMOU Ranger 2C 4MP

Take care of the security of your home. The IMOU Ranger 2C indoor camera allows you to record 4MP quality video in real time. What's more, it offers a wide viewing angle, so it captures almost the entire room. It also enables automatic detection of people and follows a moving object. In addition, a special mode automatically covers the lens when you are indoors.

Intelligent person detection

The camera uses advanced image processing technology to quickly detect people. It will then send a notification to your smartphone, so you can monitor the situation. You also don't have to worry about false alarms. In addition, you will receive a notification in case of unusual sound, such as a baby crying.

Wide viewing angle and object tracking

The IMOU Ranger 2C features a wide viewing angle of up to 355° horizontally and up to 80° vertically, allowing you to view almost all corners of the room, eliminating blind spots. In addition, it automatically detects and tracks moving objects and people.

Clear images both during the day and at night

The camera offers an image resolution of 2560 x 1440, so you'll see almost every detail. You can count on high image quality even after

dark. The night mode turns on and off automatically, and the advanced IR algorithm is responsible for clear and crisp images. In addition, the detection range at night reaches 10m.

Two-way audio

Talk to your household members and speak to your pet even if you're not at home. The IMOU Ranger 2C camera is equipped with a speaker and microphone, so it supports two-way audio. This will also allow you to scare away an uninvited guest in your home.

2 ways to save recordings

Have confidence that the footage of the intrusion has been saved. The camera has a slot for an SD card with a capacity of max. 256 GB. You can also store footage in the IMOU cloud - from there you can view saved footage or update the software.
