

Foldable solar charger Choetech SC005 22W 2xUSB (black)

Ref: 6971824973006

Foldable solar charger Choetech SC005 22W 2xUSB (black)

Foldable solar charger Choetech SC005 22W 2xUSB (black)

A weekend under a tent, a picnic, a trip to the mountains - the Choetech solar charger will work in these and similar situations. The SC005 offers a power output of 22 watts max, so you won't have to wait too long until your equipment is ready to go. Moreover, it is equipped with 2 USB ports and is compatible with a wide range of devices. Plus, when folded, it doesn't take up much space, so you can easily store it.

Powerful device charging

The Choetech SC005 consists of several layers and uses a power of 22 watts, which translates into efficient charging of your equipment. In addition, it stands out for its energy efficiency of 21-24% and has 2 USB ports (5V/2.4A max.), so you can connect 2 devices to it at the same time.

Compatible

Don't worry about compatibility issues - the Choetech SC005 solar charger works with most devices on the market. With its help you will charge your smartphone, tablet, Nintendo Switch console, gamepad, TWS wireless headphones, MP3 player, camera, powerbank or headlamp flashlight.
