Vention Optical Audio Cable 5m (Black)

The Vention BAVHJ is a 5-meter optical cable that features gold-plated S/PDIF plugs with a clip to prevent loose connections, and a core made of optical fiber material. The cable is designed for optical audio transmission, which is free from magnetic interference - it provides fantastic, immersive sound, so you can enjoy music, movies, and games in the best Hi-Fi quality. BAVHJ supports various sound technologies such as Dolby, DTS, PCM, 5.1 sound, and devices like TVs, PS4, XBOX, Blu-ray players, decoders, and more. The cable is bend-resistant, making it well-suited for small spaces. The cable plugs have a dustproof cap to avoid damage during transport.
