

Wall charger Foneng GAN35 2x USB-C 2.4A (white)

Ref: 6970462519690

Wall charger Foneng GAN35 2x USB-C 2.4A (white)

Foneng GAN35 2x USB-C 2.4A network charger (white).

Meet the Foneng GAN35 network charger. Its two 2.4A USB-C ports and compact design make it an ideal choice for anyone who appreciates speed and convenience. The EU35 works with popular fast charging protocols - AFC, QC2.0, QC3.0, QC4.0+, PD3.0 PPS, PD36W, making it a universal solution for a variety of devices.

Fast and efficient charging

The Foneng GAN35 charger is equipped with two 2.4A USB-C ports for fast and efficient charging. Whether you're using an iPhone, Samsung or Huawei, you can count on instant charging for up to two devices at once.

Compact and elegant

With its sleek white casing, the Foneng GAN35 charger is not only practical, but also stylish. In addition, thanks to GaN technology, the device stands out from other chargers of its kind - it's compact, making it a great choice when you're concerned about mobility.

Reliability and safety

Despite its small size, the EU35 dissipates heat perfectly, so you don't have to worry about overheating. It's also fireproof. It not only provides fast charging, but also full safety for your devices. What's more, it is CE certified, which confirms that the charger complies with

European safety standards.
